

YOU are going to love it.

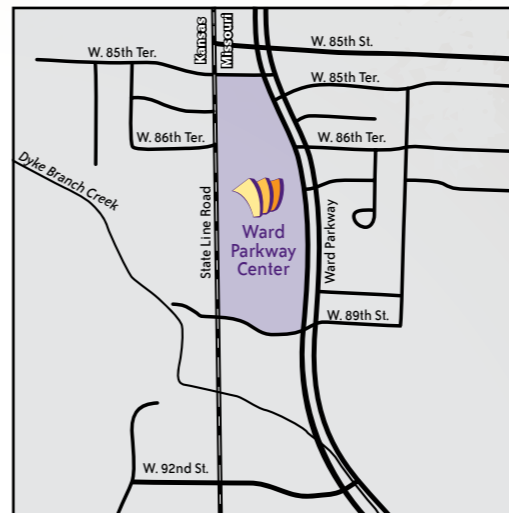

Something old is new again!

Ward Parkway was Kansas City's first indoor shopping center, originally constructed in 1959. Since then, the mall has undergone numerous changes, yet consistently remained one of the city's favorite shopping destinations.

*In the past 18 months Ward Parkway Shopping Center has welcomed the first **Trader Joe's** in the metro, along with **HomeGoods**, **Firehouse Subs**, **ULTA Beauty** and **Rue 21**.*

*Adding to the new look and feel of the center are extensive renovations by **Starbucks**, **AMC Theatres** and **Target**. Not to be outdone, Ward Parkway has extensively remodeled the interior and exterior of the property.*

*So stroll around and explore. You'll find some old standbys and some new favorites. One thing is guaranteed: **YOU** are going to love it.*

Ward Parkway Center is located between State Line Road & Ward Parkway at 86th Street.
